Jean B. Bingham: "Sometimes we think we have to do something grand and heroic to 'count' as serving our neighbors. Yet simple acts of service can have profound effects on others—as well as on ourselves."

"May we labor side by side with the Lord of the vineyard, giving the God and Father of us all a helping hand with His staggering task of answering prayers, providing comfort, drying tears, and strengthening feeble knees. If we will do that, we will be more like the true disciples of Christ we are meant to be."~Elder Holland
