### Episode Show Notes

Russell M. Nelson gave the world a prophetic blessing by stating, “I bless you to increase your faith in Jesus Christ and learn better how to draw upon His power. I bless you to be able to discern truth from error. I bless you to care more about the things of God than the things of this world.”

President Ezra Taft Benson said, “Men and women who turn their lives over to God will discover that He can make a lot more out of their lives than they can. He will deepen their joys, expand their vision, quicken their minds, ... lift their spirits, multiply their blessings, increase their opportunities, comfort their souls, raise up friends, and pour out peace.”

Pres. Nelson encouraged us to have a “new prayer pattern”. New prayer pattern meaning to take our casual prayers and turn them into mighty prayers. “Pray in the name of Jesus Christ about your concerns, your fears, your weaknesses—yes, the very longings of your heart. And then listen! Write the thoughts that come to your mind. Record your feelings and follow through with actions that you are prompted to take. As you repeat this process day after day, month after month, year after year, you will “grow into the principle of revelation.”

4 important things to remember about the promptings of the adversary:

1. It doesn’t mean you are bad
2. He is usually the 2nd voice
3. He uses logic
4. He oftentimes speaks to us in the first person

Important to remember the FIRST VOICE: The Lord is not a 3 strikes your out kind of God. He gives us as many chances as we need to keep trying and learn to listen and act on the 1st voice! The Prophet Joseph Smith taught that if you will listen to the first promptings, you will get it right nine times out of ten.” “What will happen as you more intentionally hear, hearken, and heed what the Savior has said and what He is saying now through His prophets? I promise that you will be blessed with additional power to deal with temptation, struggles, and weakness. I promise miracles in your marriage, family relationships, and daily work. And I promise that your capacity to feel joy will increase even if turbulence increases in your life.”...”In coming days, we will see the greatest manifestations of the Savior’s power that the world has ever seen. Between now and the time He returns “with power and great glory,”<sup>1</sup> He will bestow countless privileges, blessings, and miracles upon the faithful.”~ Pres Nelson
