SHOW NOTE HIGHLIGHTS

Episode Show Notes

We would like to honor our mothers and wives this mothers day by expressing our thoughts and feelings that we each have about the amazing women that have helped shape our lives for the better.

We love our wives podcasts. They are informative and inspiring. We have each only cringed once or twice in the 5 years they have been doing their podcast. We are doing podcast tribute that it will get us out of the doghouse we were in, are in or will be in the future. Happy Wife-Happy Life.
